

Lancaster Archery Foundation Grant Application

This grant is administered by the Lancaster Archery Foundation for use in all qualifying clubs. Eligible Clubs must be a qualified 501[c]3 organization in order to apply for and receive funding. The Foundation's Board of Directors will have final approval and will be awarded funding based on the application below. The applicant club must attach copies of [their W9 form](#), listing the club's name, along with their [501\[c\]3 determination letter](#).

The funds from this grant can be used for archery equipment for the club, targets and general supplies to facilitate the growth of the club and their archery program. Grant funds may not be used to purchase equipment for individual club members. Grant requests should range from \$250 to \$1,000. Applications submitted after August 31st of the current year will not be presented for consideration until the following year. A club can only be awarded funds once per calendar year. However, they can apply for funding consecutive years.

A club awarded grant funding is required to submit copies of the purchase receipts for all equipment and supplies acquired with grant funding. Failure to provide the receipt(s) could be considered during the review of future funding requests. All required documentation along with this application should be submitted to info@lancasterarcheryfoundation.org.

All responses to the application questions need to be a minimum of 50 words and a maximum of 350 words in the space provided. If the applicant needs more space, please attach a separate document to the application. Notation on the attachment must be made indicating which question(s) the response is for. By submitting a grant application to the Lancaster Archery Foundation, you agree to all the terms and requirement as stated in the application guidelines.
